

COMPREHENSIVE SERVICE GUIDE

Welcome to Anthony's Villa Comprehensive Service Guide. Discover our range of personalized, community-based mental health services designed to inspire hope, empower personal growth, and foster community wellness. Let's journey towards resilience together.

TAKE CHARGE OF YOUR MENTAL HEALTH

Providing local support for families and youth aged 8-18 in Erie, Huron, Ottawa, Seneca, and Sandusky Counties.

1:1 Services

Our individual services offer personalized, targeted care tailored to meet your unique needs. From our Intensive Outpatient Programs to our comprehensive Case Management, we work one-on-one with each client to help navigate the path towards mental health and wellbeing.

Group Services

Learn, grow, and heal in a supportive community through our Group Services. Our therapeutic group sessions, part of our intensive outpatient program and psychosocial rehabilitation services, provide a platform for shared experiences, peer learning, and mutual support.

Respite Services

Offering respite and relief for families, our Youth Behavioral Respite Services ensure that children receive therapeutic support in a familiar and comfortable setting. With flexible service periods and the option for in-home or community-based care, we provide parents a much-needed break while continuing to nurture and support the child's development.

About us

At Anthony's Villa, we are committed to fostering mental health, resilience, and holistic wellness. As a community-based mental health service provider, we offer a wide range of services, from intensive outpatient programs and case management to youth behavioral respite and psychosocial rehabilitation.

We believe that every individual deserves to live a fulfilling, satisfying, and purposeful life.

Why Choose us

- ✓ Expertise: Benefit from our skilled team, utilizing evidence-based treatments tailored to you.
- ✓ Comprehensive Care: From individual therapy to respite services, our wide range of offerings cater to diverse mental health needs.
- ✓ Community-Based: More than a service provider, we're a supportive cornerstone in your community.

INTENSIVE OUTPATIENT PROGRAM

Anthony's Villa is proud to introduce our Intensive Outpatient Program (IOP) specifically designed for teens aged 8-21. Our IOP bridges the gap between full inpatient hospitalization and traditional outpatient care, offering comprehensive and targeted treatment in a flexible and accessible setting.

TAKE CHARGE OF YOUR MENTAL HEALTH

Providing local support for families and youth aged 8-18 in Erie, Huron, Ottawa, Seneca, and Sandusky Counties.

Daily Groups

Our IOP program incorporates daily group therapy sessions led by our highly trained therapists. These sessions utilize evidence-based therapeutic behavioral techniques, encouraging participants to communicate, learn from one another's experiences, and build strong, supportive relationships.

Holistic Approach

We believe in treating the whole person, not just symptoms. In addition to therapeutic services, we also provide education on life skills, stress management techniques, and healthy coping strategies.

Family Involvement

Recognizing the importance of a supportive home environment, our program involves family members in the therapeutic process. We provide resources and support to help families navigate the complexities of mental health issues and create a nurturing and understanding home atmosphere.

About us

Our goal at Anthony's Villa is to support teens as they navigate the challenging years of growth and self-discovery. With our IOP, we aim to equip them with the tools and strategies to manage their mental health effectively, fostering resilience, independence, and overall wellbeing. Take the first step towards a healthier future by reaching out to our dedicated team at Anthony's Villa. We're here to help you through your journey.

At Anthony's Villa, we believe in the power of coordinated and personalized care. Our Case Management services are at the core of our approach, ensuring that every individual receives comprehensive support tailored to their unique needs and circumstances.

TAKE CHARGE OF YOUR MENTAL HEALTH

Providing local support for families and youth aged 8-18 in Erie, Huron, Ottawa, Seneca, and Sandusky Counties.

Personalized

We work closely with each individual to create a detailed and personalized case plan. This plan includes specific goals, strategies to achieve these goals, and milestones to track progress.

Case Management

Our case managers act as the primary point of contact, coordinating between the individual, family members, healthcare professionals, and community resources. They ensure all services work in harmony for the most effective outcomes.

Ongoing

Our case managers regularly review and update the case plan based on the individual's progress, changing needs, and feedback.

About us

Our Case Management services are designed to wrap around you, providing a comprehensive, coordinated, and compassionate approach to mental health care. No matter how complex your needs may be, you can trust our dedicated team at Anthony's Villa to guide you on your journey towards improved wellbeing.
